

# GROOVE FACTORY ENTERTAINMENT

#1-rated Southern California band. 100% live, no prerecorded tracks, no lip-syncing.

Versatility and musicianship are our strengths.

Our six-piece band comprises five vocalists, with a male and a female lead, a guitarist with multiple guitars on deck, a keyboardist trained in both piano and synthesizer, and a bassist and drummer with decades of experience in multiple styles.

We have won numerous awards, including the San Diego Union Tribune Readers Poll and the San Diego "A" List Award.

We are currently the #1-rated San Diego live band and San Diego cover band on Gigmasters.
